

The FBMAmazing Race 2011

Since it began in 2005, the Food and Beverage Managers' Association's (FBMA) Youth Wing (YW) has continued to increase awareness and excitement in the F&B scene. Through activities such as site visits to hotels, country clubs and suppliers, workshops to increase product knowledge and skills; as well as social get-togethers, FBMA's Youth Wing has seen the participation of over 300 students from various institutions and industry professionals.

The FBMAmazing Race, the Youth Wing's signature event will be held this year on the 8th of October 2011. Styled after the hit TV series – The Amazing Race, the FBMAmazing Race sees teams visiting various establishments, competing in hospitality themed tasks – beverage making challenges, flavor-sensory evaluations, culinary practicals, housekeeping tasks and purchasing challenges...just to name a few. In this year's 5th edition of the race, we're excited to showcase the highlights of the best tasks that has graced the FBMAmazing Race over the past 5 years.

While the past 4 FBMAmazing Races have been exclusively for the members of the FBMA Youth Wing, **this year's race is eligible to all who is working under a hospitality environment!** Participants also do not have to have any prior F&B experience. All you have to do to join us for a day of fun filled activities, by filling in the registration form found attached. A race fee of \$20 per non-member is payable to the Food and Beverage Managers' Association. Teams will comprise of 5 members, and mixed teams (different companies/departments) are strongly encouraged – so get your friends together and sign up for the race!

Here are a few photos from the previous years' challenge:

We look forward to seeing you at the race! Please do not hesitate to contact Alan Low (H/P: 91711715; Email: alanlow@fbmayouthwing.com) or Justin Aow (H/P: 83228336; Email: justin@fbmayouthwing.com) should you have further queries.
